

Get Involved with Wenatchee Outdoors!

Inspire, Guide, and Connect our outdoor community

Who We Are

Wenatchee Outdoors is a 501(c)3 nonprofit striving to be the trusted hub connecting our outdoor community to information, outings, events, advocacy, and each other. The organization focuses on creating and promoting educational guide content, developing a community of outdoor enthusiasts of all types, and advocating for the preservation and responsible use of our outdoor spaces.

Mission:

Inspire, guide, and connect our outdoor community.

Vision:

Be the trusted hub connecting our outdoor community to information, outings, events, advocacy, and each other.

Our Goals:

- **Education:** With over 700 guidebook posts—filterable by ability level, family-friendly, dog-friendly, accessibility, and location—WenOut guidebooks save time in the search for the perfect outdoor experience in and around the Greater Wenatchee Valley, including up north into the Methow Valley and Tonasket region.
- **Community:** WenOut Outings connect residents and visitors to each other and the outdoors, creating a strong sense of community through member-facilitated adventures.
- **Advocacy:** Each year, Wenatchee Outdoors focuses on initiatives that promote the preservation and responsible use of our outdoor spaces.
